

Lia Jonsson

Lia's ancestors were indigenous people from the North of Sweden and Finland. Many of them were shamans, healers, fortunetellers, musicians, and artists. Lia has their energy in and with her. She holds degrees in Art and Iconography, Health Consultant Education, Herbalism, Reiki, and Shamanic courses with the Four Winds Society and Sandra Ingerman. Lia is an artist and a teacher of art and Iconography, a practicing shaman, medium, tarot reader, healer, and an herbalist. She is a Munay-Ki practitioner who helps people with love and understanding of their journeys. As a Seer, Lia works with the guidance of Spirits and Angels and shares her services with people and our lovely animal companions.
